

## KeyWatcher Prep Panel

KeyWatcher Prep Panel for a 3 module or 6 module vertical system provides a stable surface to mount the KeyWatcher. The Trades can mount the panel and run the wires ahead of time. When the KeyWatcher arrives it's an easy installation. Comes with mounting hardware, pre-drilled holes, mounting cleat and electrical box.

Part Number	Price	Dimensions
HSS—1003PP	\$400.00	20 1/2" w X 29 1/2" h X 2 1/2" d
HSS—1006PP	\$450.00	27 1/2" w X 29 1/2" h X 2 1/2" d

Prep Panels will be shipped separately from the KeyWatcher. Shipping will be added to your invoice, based on zip code and weight. All items shipped ground, unless otherwise specified.
